5. [REDACTED] Talked with Senator Leverett Saltonstall furnishing him with a copy of the prepared statement on the Michigan State University matter requesting that he put this into the CONGRESSIONAL RECORD. He indicated he would be happy to do so and in fact did place it in the RECORD later in the day.

6. [REDACTED] Talked with Senator Stuart Symington and discussed with him the Fulbright letter to the Agency. The Senator stated while the Carver article was a very good article he thought there did appear to be some policy aspects in it and felt we should not take too strong a position and not get too far out on a limb.

7. [REDACTED] Briefed Mr. William Darden, Senate Armed Services Committee staff, on our request to Senator Saltonstall which appeared to be fortunate since later on Darden and I happened to be in the Senator's office at the same time and the Senator asked for Darden's advice and Darden thought it appeared to be the appropriate thing to do.
